Riyadh Academy – Khuzam

RIYADH, SAUDI ARABIA

Riyadh Academy – Khuzam, an integrated educational campus in Riyadh, delivers reliable voice communication for a modern learning environment supported by the Misk Foundation.

Riyadh Academy is an integrated educational campus located in the Khuzam community, one of Riyadh's major residential developments by the National Housing Company (NHC). Affiliated with the Mohammed bin Salman Foundation (Misk), the academy provides a modern learning environment that supports the educational ambitions of Saudi Arabia's national development vision. The installed smartVES Voice Alarm System provides centralized audio distribution and voice communication across multiple areas of the campus, supporting efficient management of loudspeaker zones and clear delivery of operational and emergency announcements.
